

LETTER CIRCULAR

Date: 1st July 2020 **Ref:** DLAP 172/2020
To: All Heads of College Network and Heads of Primary and Secondary Schools (State and Non-State)
From: Director, Directorate for Learning and Assessment Programmes
Subject: Guiding Documents for Learning Programmes in 2020-2021

Heads of School are kindly informed that following consultation with Heads of Department and teachers, Education Officers have prepared a guiding document for Primary and Secondary teachers as per respective subject or area. The guiding documents are intended to support teachers in primary and secondary, in preparation for the next scholastic year. The syllabi for subjects in Years 9 to 11 will be further amended in the coming weeks, as per recommendations by the MATSEC board yet to be issued.

More than one scenario has been considered for schooling in the next scholastic year. Education Officers will gladly receive feedback about the respective documents. Teachers are encouraged to contact their respective Education Officers through email with any comments or suggestions that they may have. Closer to the start of the next scholastic year, these documents may be amended if necessary to reflect the situation at that time and a further announcement will be made.

The guiding documents are available online at:
