

## Homes around the world

**Activity 1:** Choose 3 of the homes you have been researching.

For each house decide where it can be found and what makes it suitable to that climate.

	Where in the world?	Why is it suitable to that climate?
House 1		
House 2		
House 3		

**Activity 2:** Choose one of these houses and compare it to the house you live in. How is it different from your house? How is it similar to your house?

My House and _____	
Similarities	
Differences
