

# How does Sick Simon change?

Think of the main character and what he did at the beginning of the story. Think of the main character at the end of the story. Ask yourself: "How has the character changed? What made the change happen? What did the character learn from the change? What am I learning (idea or message) because of this change?"

## Beginning

*Write down three things Simon did at the beginning.*

*Draw a picture of Sick Simon.*

## End

*Write how Simon changed his behaviour. Give examples.*
