

# All about Ants

*(Note for teachers: Use as appropriate. You may wish to adapt the worksheet or use a selection of these questions for oral or written tasks. This will depend on the needs of the learners.)*

Read the text 'All about Ants' and answer these questions. (Macmillan 4 p. 65)

1. Where can you see ants?

---

2. How does the author help you find information about the different type of ants?

---

---

3. Where would you put these headings in the text?

Garden Ants

The Queen Ant

What do Ants Eat?

Worker Ants

4. The author says that "busy ants are worker ants". Give two facts that show this.

---

---

5. Think about the article you have just read. How does killing greenflies affect ants? Give one example.

---

---

6. Write captions for the photos in the text.
