

BOOKS OR TECHNOLOGY QUESTIONS

1. Listen to the interviews about iPads. Tick (✓) what the students say.

	It's cheaper.	It's lighter.	It's faster.	It's more expensive.	It's more interesting.	It's easier to break.
Josh						
Asha						
Victor						
Caitlin						

2. Fill in with ONE word from the text.

Josh: I'm a.) _____ using a computer than reading books. It's faster, more interesting, b) _____ modern ... everything.

Asha: iPads cost £500 each – so, they're c) _____ more expensive than books. I think it's d) _____ to spend money on normal computers that everyone can use.

Victor: I think it's a good idea – mostly. Erm, I feel much more e) _____ reading a computer screen f) _____ reading a book. But I disagree with Asha about the cost – I think iPads would actually be cheaper than books ...

Caitlin: I'd love an iPad. All students would enjoy using an iPad, so they would learn more. Also, my timetable is complicated with lots of subjects and books, but with an iPad I just have one thing in my bag, so iPads are lighter g) _____ carry.
