

**BACK TO EARTH WITH A BUMP! – WORKSHEET**

**The next night, Hal sets off once more and finds a brand new planet to explore.**

**What does the new planet look like?**

**Questions to think about.**

- What can Hal see and hear?
- Is it hot or cold?
- Is it light or dark?
- Is it far away?
- Is there anything unusual about the new planet?
- Are there any plants or animals? What do they look like?
- How does Hal feel about the new planet?
- Is he enjoying the whole experience?

**Keywords:**    journey        exciting        scared  
light        dark        freezing        strange  
discover    huge        tiny

**Describe the new planet.**
