Ice Cream Cookie Sandwiches with Sprinkles SERVES 4

TOOLS

- Cutting board 
- Ice cream scoop 
- 1/2 measuring cup 
- Small plate 

INGREDIENTS

- 1 pint ice cream or frozen yogurt, any flavor 
- 8 cookies, any flavor 
- 1/2 cup chocolate or colored sprinkles 

MIX IT UP: A few hours before making these ice cream sandwiches, chop pineapples or strawberries into tiny pieces and freeze them. These frozen fruit bits are packed with flavor and are a nice alternative to sprinkles. For a savory swap, use crushed pretzel pieces instead.

1. Take the ice cream out of the freezer and let it soften for about 10 minutes.

2. Place 4 cookies on your cutting board, with the flat side facing up. As soon as the ice cream is soft enough, put 1 scoop of ice cream on each cookie.

3. Place a cookie on top of each ice cream scoop. Press down gently.

4. Put 1/2 cup of sprinkles on a plate. Roll the edges of the cookies in the sprinkles. Place the cookies back in the freezer until they freeze again, about 20 minutes.
