Dear Oliver

I hope you are well. My family and I are planning to visit the National Pet Show on Sunday 1st November. Would you like to join us? I know that you love animals, too!

I am attaching the timetable with all the activities that will be held at the Kids' Zone on Sunday. There are many interesting activities. I'm really looking forward to handling the snakes and seeing Mojo the poodle perform some awesome tricks. Which activities would you prefer to see?

Let me know if you can make it. By the way, Mum said that I can take care of your pet while you are away.

Best regards,
Kai
