

## Unit 2: Sports and Games

### Lesson 1 – Listening

Task 1: Which of these stickers does the boy have? Circle 5.

Task 2: Continue the following table by writing down one piece of equipment used for each sport.

Sport					
Equipment					

Task 3: Are these sentences True or False? Tick (✓) the right answer.

	True	False
When you swim, you move your body through the water.		
To win a basketball match you need to score less goals than the opposing team.		
In soccer you can kick or head the ball only.		
In athletics you can practise more than one sport.		
For scuba diving you need a diving tank.
